Slides and blocks

A level-1 header (#) starts a section: it appears in the top bar but produces no slide of its own.

A level-2 header (##) starts a new slide (`slide_level: 2`).

Sub-headings

A level-3 header (###) is a sub-heading within the slide: navy, bold, no box.

Blocks

A level-4 header (####) creates a block. Cite sources with @Key or [@Key], e.g., Viechtbauer (2010) or (Viechtbauer 2010).

Text formatting

This is an **R Markdown** document that demonstrates various formatting options, including *italicized text*, **bold text**, and `inline code`.
